2. Docket No. 657—276, of the 9th February 1903, from the Executive Engineer, Bangalore Division, forwarding estimate for Rs. 1,123, (being the District Fund share of contribution) for widening the bund of the Hennore tank, register No. 53 in the Bangalore Taluk.

Resolved that as this is only a small loop line between two villages, each of which has a separate cart track to Bangalore, it is not worth while spending this amount of money on it.

3. Docket No. 18302—L. F. 203-93, dated the 4th March 1903, from the Secretary to the Government, General and Revenue Departments, calling for the Board's opinion on the proposed transfer of the Local Fund Dispensary from Whitefield to Vartur.

Resolved that as Vartur is more central than Whitefield and is available and nearer to the surrounding large villages of Gunjur, Sarjapur, Dommasandra and is moreover the site selected in Government Proceedings No. 1440-8—L. F. 60-95, dated July 28th, 1896, that the dispensary be located there.

Resolved that as this is an entirely a Muzrai institution and the Board has already contributed by making a road to the temple, any future improvement must be met from Muzrai funds.

5. Docket No. 360 of the 17th March 1903, from the Executive Engineer, Hessarghatta Water Supply Division, requesting to be informed if the District Fund Board can contribute a moiety of the cost for the up-keep of the newly opened dispensary at Soldevanahalli in the Nelamangala Taluk, for the benefit of the villagers etc.

Resolved that the Board is prepared to meet the charge of ⅓rd of the cost.

6. Docket No. 13783—L. F. 1-02, of the 16th March 1903, from the Secretary to Government, General and Revenue Departments, calling for the Board's resolution on the incomplete list of District Fund Works for 1902-03.

Resolved that the majority of the charges be accepted as shown in the revised list.

Resolved that it is not necessary.

8. Report No. 628 of the 27th March 1903, from the Amildar of the Bangalore Taluk, forwarding an estimate for Rs. 529 for repairing the cart-track to Kudu village in the Anekal Taluk from the Bangalore Taluk limits. The total estimate including the Anekal Taluk comes up to Rs. 2,157 excluding the amount of compensation for lands to be taken up.

Resolved that this is not necessary.

9. Yadi No. 1113 of the 20th April 1903, from the Assistant Commissioner, Bangalore Division, forwarding an estimate for Rs. 805 for constructing a tunnel of four additional vents to Chikkere Kodihalla at Sarjapur in the Anekal Taluk.

Resolved that this estimate be accepted, as this bridge is necessary to the road leading to several important villages.

10. Docket No. 15539—L. F. 186-02, dated 1st May 1903, from the Secretary to the Government, General and Revenue Departments, calling for a report whether the District Fund Board is willing to bear $\frac{3}{4}$rds of the cost of dispensaries to be opened newly, *i. e.*, one at Basavangudi extension and the other in the Malleswaram extension of the Bangalore City, as the District Fund Board is now paying $\frac{3}{4}$rds of the cost of the Branch Dispensary at Arlepet in the Bangalore City.

Resolved that as it is believed that these two extensions will shortly form part of the Bangalore City Municipality, the members of the Board do not see their way to contributing towards these dispensaries.

11. Report No. 767, dated 1st April 1903, from the Amildar of the Bangalore Taluk, forwarding proposals for acquiring lands for building houses newly and opening out road etc., in the village of Kodigehalli in the Bangalore Taluk.

Resolved that, under the circumstances, the Board is unable to sanction this.

The scheme is approved of by the Board and an estimate within Rs. 50 may be submitted.

14. Petition dated the 2nd May 1903, from Pandit Anantaiya, Hindu Vaidya at Jala, Devanhalli Taluk, praying for a grant-in-aid of the Native dispensary established by him at Jala.

Resolved that as the Board largely contributes to dispensaries in the neighbourhood, it is not thought advisable to grant this request.

15. Docket No. 13776—L. F. 16-98, dated the 16th March 1903, from the Secretary to Government, regarding the acquisition of 5 acres of land out of Survey No. 218 of the Magadi Kasba for providing the Hindu residents of that place with a new burial ground.
